M. U. GOLFERS INTOURNAMENT

Sixteen Have Entered Handicap—Preliminaries Started Yesterday.

Sixteen students in the University have entered the Student Handicap Golf Tournament, the qualifying round of which started yesterday and which ends this evening, if the weather will permit. Pairings were made for the preliminary play yesterday morning by James Phelan, assistant football coach, who is in charge of the tournament.

As soon as the qualifying round is finished, pairings will be made again and the handicaps placed, based on the scores of the first round, and the knowledge the handicapper has of the ability the golfers have shown during their play this year on the University course.

All play will be in twosomes, and each player will sign his opponent's card before it is handed in. Scores must be given either to Phelan or handed in at the office of the athletic director at Radwell Gymnasium.

Eighteen holes will comprise the length of each match, twice around the University course.

The student making the medal score of the qualifying round will receive a silver cup donated by the Missouri Stores. A silver cup also goes to the winner of the finals of the match, also given by the Missouri Stores.

The players are paired as follows in the qualifying round:

Ned D. Biles, Jr., vs. Al Bundschuh. M. O. Atkinson vs. Ed Royster. "Chuck" Lewis vs. Ben Loeb.

Charles Krause vs. L. V. Swearingen. W. S. Henderson vs. Mark Sims. J. S. Henry vs. Hugh Evans.

Brutus Hamilton vs. John Knight. Jack Mytton vs. F. C. Foster.

This Time Last Year. Ruth made his sixteenth homer at Detroit off Okrie.

TO START BALL LEAGUE AGAIN

Business Men Have Organized Clubs—Games to Begin Next Week.

Another war had revived? Columbia will again have a Twilight Baseball League. Everything but the schedule is arranged, the initiative having been taken by managers of the teams representing various business interests in the city, which have already been trying to prove whether jingling coins, canceling stamps, administering hair tonic, or fitting clothes to window models is the best training for wielding a bat and making home runs.

The four teams in the league so far are the Bankers, Postoffice employees, Barbers, and Clothiers and Shoe Merchants.

Managers of the teams met yesterday to organize a league similar to one existing during the war. The series will consist of sixteen games, four with each team. Every nine will play two games a week, starting probably next Thursday. The Rollins Field diamond will be used.

The merchants will offer prizes for the players showing highest averages in hitting.

Larry Sapp is manager of the Bankers nine; E. C. Hill, Postoffice nine; Earl Byers, Clothiers and Shoe Merchants nine; and C. C. Brown, Barbers nine.

Columbia vs. Jefferson City. There will be a baseball game at the Columbia fairgrounds next Sunday afternoon between the Columbia and Jefferson City teams. The game will be called at 2:30. The battery for Jefferson City will be Parth and Pope and Hower and Manpin will work for Columbia.

MAY TAKE 3 CHAMPIONSHIPS

If California Wins Regatta It Will Be Third Victory Over East.

By HENRY L. FARREL

(United Press Staff Correspondent.)

New York, June 10.—Eight young huskies will have a chance in Poughkeepsie June 22 to make California the biggest noise of the collegiate year.

If the California crew succeeds in winning the rowing championships, it will make three victories in the biggest classics of the season.

A football championship, a track championship and a rowing championship in a row would give the Pacific Coast state something to crow about for a decade.

The California crew which is to row in the Poughkeepsie regatta will have anything but an easy time to uphold the prestige of the coast on the eastern waters.

Columbia perhaps will be the hardest to beat. The New York university has one of the best crews of the season. Cornell and Syracuse also can be counted on for a good performance as they are both being primed for that one race.

WINS EIGHTH CHAMPIONSHIP

Missouri Military Academy Gets Baseball Pennant.

The Missouri Military Academy, located at Mexico, won its eighth consecutive baseball championship in the Missouri Conference recently when it defeated the Chillicothe Business College in both games of a series.

Tomlin, the academy's leading pitcher, deserves the greater portion of credit for this season's championship. He pitched the game that gave his school the pennant, and in a preceding series with Kemper he hurled a two-hit, no-run game. The day previous to this, he worked seven innings in gaining a victory from the Booneville boys.

Tomlin was elected captain of the 1922 baseball team immediately after the second Chillicothe game. He also received the medal this year at the commencement exercises, signifying him to be the most sportsmanlike athlete in school. Seven of the ten letter men of this year's team are to be back next year, so that the Missouri academy bids fair to have another winning ball club next year. Tomlin is a three-sport man and hails from Muskogee, Okla.

What's Your Time Worth?

When you go to buy a pair of boots, a can of peas or a kitchen cabinet, do you know exactly what you want—or do you "shop around" and take pot luck?

You can save many an hour's time—and many a good hard dollar—by knowing beforehand what you want, where to get it, and approximately how much it will cost.

You can always know this much before you enter a store.

If it's clothing, you know how well it should wear and what the style should be. If it's a musical instrument, you know what to expect in tone and workmanship. If it's a carpet sweeper, you know what kind of service it should give.
